Summer is here! And it's hot!! Well our meeting at Lake Darnelle didn't go very good. Trai and Laura, Lee and Joe and of course Jean and Charles were the only ones who showed up! I'm a little upset with that since we went to the north, so the people up there didn't have to drive as far. Well I don't think we'll do that again then.

I got back from California seeing my Grandkids, and had a great time. My Granddaughter Bella will be having surgery on her heart on July 15th. We are praying for a complete recover. I will be leaving for New York on the 3rd with Susan Story and Trai Hill. I know Lee Picard will be going also. If anyone else is going I guess we will see them there.

Now, again I need to mention about getting your membership paid for as it comes back to our group to help with things we need. Out of almost 60 families only 10 our paid up. That's sad. Also, if anyone is ever needing a ride to our meetings PLEASE let me know ahead of time and we can get you a ride with someone. Don't want anyone to miss it just because they don't have a ride.

Our Fall Regional will be in Fort Smith at the same hotel we had it last time. The rooms are running around \$89. For 2 queens beds. The dates are October 23, 24 and the 25th. Now, remember this is a Halloween bash! I'm also looking for those of you who what a job helping with something at the party. For info to follow in later newsletter.

Our next meeting will be on 8th of August, in North Little Rock. It will be at Idle Wild Park from 11am to 3pm or so, in a building with air conditioning and their own bathrooms. There is a Frig and stove there also. We will be doing Italian, so bring spaghetti, lazanga, (don't know how to spell) salad, and of course desert and something for you to drink. Due to the fact I won't have a phone if you need to call for directions you can Trai's # 479-637-6705 or Jean at #501-945-3687 or even Susan at #501-282-5316. Please let see how many of you show up this time.
