

FALL NEWSLETTER FOR CENTRAL STAR CHAPTER

We have two new families in our Central Star Chapter that we want to introduce and welcome into our chapter. The Zimmerman family are from Springhill, Kansas. Greg and Keri Zimmerman are the proud parents of Maci, (lp) born on July 14, 2007. They also have daughters, Britney, Courtney, and Madison. Greg works for a landscaping company called 4T Total Lawn in Lenexa, and Keri works at an Assisted Living facility, Vintage Park in Stanley, Kansas. Our second family is the Waterman family. Alan and Kelly also are proud parents of Maxwell, (lp) who is 13 months old. They also have a son Sawyer who is 7 years old. Alan and Kelly are both from Independence, Missouri and moved to New York City shortly after they were married where they lived for 13 years. They moved back to Kansas City with Sawyer five years ago. Alan is a real estate developer and Kelly is a stay-at-home Mom, actor, and acting Teacher. Sawyer is in first grade at St. Paul's School. They reside in Midtown Kansas City and are thrilled to be a part of the LPA Family.
