Summer is near as the kids get ready to get out of school and vacation begins. I hope everyone has plans to enjoy the upcoming summer with family and friends.

Our get together at Celebration Station had a low attendance but those of us that were there had a good time playing mini golf. The picnic in Tulsa had about 20-30 people, a big thank you to the Moeller family for hosting that event. It sounds like they had a great time !!!

I was unable to go to the Regional in Branson so I asked Alicia Malsam to give me a quick update and here is what she had to sayBranson went great! There was a great turn out. Many new people came so that was awesome. On Saturday we went out and eat as a group. Some people went to Shorty Smalls and others went to Joe's Crab Shack. It was good food and good people. The weekend it rained and rained but we all made the best of it. Saturday night the dance was AMAZING! So many got up and participated and danced the night away. At the meeting there was some new news:

- The fall regional is going to be in Ft. Smith, AK October 23-25 it will have a them dance (Halloween)
- We need pictures of LPA events and people having fun enjoying life for the LPA district 7 website
- Our district has 2,000 dollars in our district fund but we need to think of fund raiser ideas for it so we can make our Regional the best we can
- We have a new fund raiser it is, a bracelet that says "Love a Little" they are green. They are only \$3. If someone is interested in one please contact Jack Pollock

Thanks to Alicia for compiling all this information for me.
