District 7 News and National News

We are still selling "Love a Little" green bracelets to raise money for our local chapter as well as the District. Give Carson or Kate a shout if you want some. They sell for \$3.00 each. We will have plenty on hand at all future events.

We hope you can make it to Hutchinson for the tour of the Salt Mines. We hear they are fascinating. If you can't spend the entire afternoon, come for just lunch or the tour. We will try to hold an official chapter meeting at lunch if we have enough paid LPA members present. We are always looking for more volunteers as a chapter officer, coordinator, event host, or any way you would love to personally be a part of our new chapter.

Pre-registration is open for the 2010 Little People of America National Conference in Nashville! You can either pre-register online, by phone or by mail. You must be registered for the conference to receive the hotel rate of \$120 at the Renaissance Hotel. You must register for each separately. Please see LPAs website for more details: www.lpaonline.org.

Teens keep in mind for the winter of 2010-2011. The national teen coordinator has been working on a Teen Winter Retreat (planned dates hopefully in December 2010.) They are looking at the National Sports Center for the Disabled in Colorado. Costs are looking to be \$175/day for a 4-day event. If you want more information you can contact Julie Hildebrand. Go to www.lpaonline.org and take the Teen Survey on the Teen Program page to express what you would like to see in a Teen Program.
